

I can't believe we are half way through the half term already! Last week I spent time looking at the children's work in their books and so far I am very impressed with the hard work and the learning completed.

Year 3 have been on visits to the Moorland centre at Longshaw Estate in the Peak District this week. The behaviour of the children was fantastic and they learnt a great deal about the geology of the Peak District and took part in a number of investigations.

A number of trips are being organised to support and extend children's learning. Please make sure you give consent and pay for these visits promptly so that they can go ahead.

I still have a large number of children coming to me each week to borrow a PE kit. Please make sure your child has a named PE kit in school each week.
