

I hope you have all signed up to Class Dojo now so that you can see how your child is achieving in school and keep up to date with class and school news. If you still need to do this, then please speak to your child's class teacher or the office staff can point you in the right direction.

The first assertive mentoring meetings will be taking place during the first week back after half term. However, if you are concerned about your child's learning, well-being or behaviour and feel that it is urgent then please speak to their class teacher in the first instance. It is important for you to have a good relationship with them and they are in the best position to answer questions as they work directly with the child. If you feel this does not resolve the issue, then Mrs Sneddon is the next person to speak to. If you still concerned, then please arrange to see me.

If you need to speak to me or Mrs Sneddon please go to the office and ask for an appointment.

Mrs Sneddon and I have been privileged to go on two more school trips this week. Year 1 had a fantastic time being meteorologists at Weston Park Museum and members of the public commented on how very well behaved and sensible they were on the tram. Year 2 enjoyed a walk around the local area decided how they would improve it – they are now going to write to the local MP to suggest their improvements!

### **Trying to find ways to be more active?**

If you would like to encourage your child to be more active they can take part in the 10-day active challenge beginning on Monday 9th October and running until Friday 20th October. The idea is that each morning the children taking part will record how they have travelled to school. If they travel in an active way for 10 consecutive days they will receive a prize. Active ways of travel include: walking, cycling, scooting, driving and parking a little bit further away from the school gates and walking the rest of the way. If you would like your child to take part, then please let your child's class teacher know by Friday, either in person or by sending a message on Class Dojo.

---

### **Cake Sale**

We would like to thank everyone who brought cakes and buns to sell at last week's Cake sale and to everyone who bought buns. The fantastic sum of £160 was raised towards purchasing a new pushchair for Jayden.

### **Change of dinner menu - Thursday 5 October**

Just a reminder that there is a change to the dinner menu tomorrow. The red option is Ham and Cheese Pizza and chips and the green option is Cheese and Tomato Pizza and Chips. Both the Blue Option and White options remain the same.
