

Rainbow Forge Primary School Acceptable Use Policy for Children

This is how we stay safe when we use technology:

I will ask a teacher /an adult if I want to use the computer or iPad.

I will only use activities that the teacher /an adult has told or allowed me to use.

I will take care of the computer, iPad or other equipment.

I will ask for help from the teacher/an adult if I am not sure what to do or if I think I have done something wrong.

I will tell the teacher/an adult if I see something that upsets me on the screen.

I know that if I break the rules I might not be allowed to use a computer or iPad.

I will respect others' work and property and will not access, copy, remove or otherwise alter any other user's files, without the owner's knowledge and permission.

I understand that the school will monitor my use of the ICT systems, email and other digital communications.

I will not share my username and password with anyone or try to use any other person's username and password.
